

TÜV Nederland QA B.V.

1231-CPR-1090-1-2400-B-151

Certificate of conformity of the Factory Production Control

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Building Product	Components for steel structures up to and including EXC 2 according to product standard EN 1090-2:2018
Applied welding processes	135, 136, 141 and 145
Applied parent materials	Stainless steel 304 and 316 Group 8.1, Duplex Groups 10.1 and 10.2, Incoloy Group 43
Responsible Welding Coordinator	Meets required knowledge. Details included in report.
CE – marking method	1, 2 and 3a
Placed on the market under the name or trade mark by	Rijkers Procestechnologie B.V. Koperslagerstraat 4 5405 BS Uden The Netherlands
Produced in the manufacturing Plant(s)	Rijkers Procestechnologie B.V. Koperslagerstraat 4 5405 BS Uden The Netherlands
Conformity	This certificate attests that all provisions concerning the assessment and verification of the constancy of performance described in Annex ZA of the standard(s) EN 1090-1:2009 + A1:2011 under system 2+ are applied and that the factory production is assessed to be in conformity with the applicable requirements.
Period of validity	This certificate was first issued on 14-01-2020 and will remain valid as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant(s) are modified significantly, unless suspended or withdrawn by the notified body for the factory production control. The validity of this certificate can be verified at https://www.tuv.nl . Changes as stipulated in EN 1090-1 that can affect the validity of the certificate shall be submitted to TÜV as obligation by the manufacturer in writing via https://www.certificering-keuring.nl/en-1090-wijzigingsformulier .
Date of latest issue	26-01-2022 (rev 2, add RvA logo)
